

TONMOY SARKER

Full-Stack Web Developer

Mobile : 01701-521921

Email : tonmoycsebd@gmail.com

Portfolio: www.tonmoysarker.com

Github : github.com/tonmoysarker-bd

Carrier Objective

Highly motivated Full-Stack Web Developer with hands-on experience in Next.js, React.js, Node.js, Express.js, and MongoDB. Strong understanding of building scalable, responsive, and user-friendly applications. Looking for an opportunity to contribute to a growth-focused organization while improving technical expertise.

Professional Experience

AI Assisted Software Developer

Aug 2025 – Present

Cansoft Technologies

Vancouver, Canada (Remote)

Asimali.ca

- Developed a high-performance Next.js application for a Canadian mortgage brokerage.
- Integrated headless WordPress using GraphQL for seamless CMS operations.
- Improved page load speed using server-side rendering & static generation.

Fastkey.com

- Built and currently maintain a secure criminal background check platform using Next.js.
- Implemented full-stack features: authentication, Stripe payment, real-time validation.
- Designed responsive UI/UX, reducing form submission errors and improving conversion.
